OBSESSED WITH GUEST

Dear *MensWorld*
In Volume 21 Issue 11 you featured a few pictures of the beautiful blonde babe Jo Guest, and suggested you might make it a regular feature called 'The Best of Guest'. It doesn't seem to have appeared in the magazine as yet, but please, please could you make it happen?

Jo was the reason for me buying my first ever copy of *MensWorld*. She was on the cover, and the shoot featured her having a sexy workout in the gym. I'll tell you something – I had a workout when I got home!

That was back in the 90's. I'm 43 now, and I've been buying your mag since then, mostly because of Jo getting me started all those issues ago. So how about a 'Best Of Guest' feature or even a full issue, or perhaps just a reprint of some of her hottest shoots, including the one I mentioned? Come on, Jo has played a huge part in the history of *MensWorld* and surely has a place in the hearts of thousands of readers – please don't just consign her to the archives!
Anon, Llanelli

GUEST & SPECIAL GUEST

Dear *MensWorld*
Please can you reprint some of Jo Guest's earlier shoots for the magazine? And while you're digging them out, could you also look out for some shots of the gorgeous Shanine Linton?

Since Jo and Shanine were my two favourite glamour girls during my more youthful days, having now just hit 50 and qualified for Saga Holidays [it happens to us all – Ed] it would be nice to celebrate this milestone by getting to see some nice pictures of these two models; surely the best of their generation in my opinion.

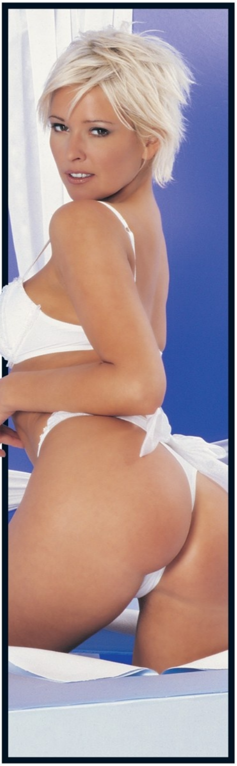
Being a bit greedy, you could even start a new feature called 'Jo and Shanine Revisited'? I'm sure more readers than just myself would appreciate it!
Harry, Ealing

A 'REAL MAN' WRITES...

Dear *MensWorld*
Your 'Rules of Man' article from Volume 21 Issue 12 really made me and the wife laugh. It's exactly the 'bloke groupies' you describe who are the real twats, huddling together and taking the piss out of real men who can stand alone and drink a beer (while the wife's at home waiting for us). It's muppets like you who are the real joke, laughing at crap jokes with your poncey hair all gelled up, queuing for some shit club in the cold, desperate for some old cow to take you home.

You're all so keen to be cool and clever, yet you're just a laughing stock to most normal people who stay at home rather than meet vomit covered groupies shouting at 3am in the morning. Any bloke with an ounce of bollocks to be himself and not some media moron would happily don a hat, but not you lot. You all do the flimsy shirt routine when it's minus-5 degrees, trying to prove your manhood when us real men are at home fucking the Sheila. My hat's beside the bed, and the joke's on you guys! Oh, and your beers are shit, too.
Melvin, Australia

Crikey, I think Mevin's a bit pissed off! But hey, just to prove we don't only print the positive letters, this at least is one openly slating one of our features, along with us in general and the quality of our beer and attitude to hats. Melvin, we're sorry you didn't enjoy 'Rules of Man' but thanks very much for the feedback, as we need to know even if you think a feature's a load of crap. Naturally, if you think something's great, then we'd obviously like to know about that, too – in fact, we just want to know what you all think of the magazine. Melvin, you fuck your wife and wear your hat with pride. In the meantime, we'll be laughing at Daily Star jokes with our poncey hair all gelled up like muppets…



Ever since we featured those shots of her in Vol. 21 Issue 11, we've had a fair few letters asking to see more of Jo Guest, whether it be new material, some re-runs of her old shoots, or even a piece on what she's up to now.

However, before we decide what to do in the magazine with the gorgeous, blonde favourite, we need more feedback to find out exactly what would be most popular amongst our readers. So, if you want to see Guesty back in MensWorld get writing and emailing, and then we can try and give all you Jo fans just what you want. But rest assured, we've got plans for Jo in the pipeline – including plenty of stuff you've never seen before.

Also, if you're like Harry and would love to see another model from the past featured once more in the magazine, then drop us a line, too. Needless to say, we'll do what we can to make it happen! Over to you…

KIMBERLEY

PHOTOGRAPHY: J.S. HICKS

This issue features a blend of girls who are fairly fresh on the scene and those who are currently sitting pretty at the top of the porno pile.

We kick off with a young lady who currently fits into the former category, but who will soon be in the latter, as with her sultry, exotic looks and stunning body, newbie Kimberley Kato is already turning the heads and stirring the loins of porn fans the world over.

Needless to say, no girl can ever be said to have made it until they appear in *MensWorld*, and with that in the bag the only question now is when we're going to see Kimberley in her first movie. Soon, we hope...

SKI FUNDAY!

On our last Christmas holiday, my boyfriend and I shared a large ski cabin with three other couples who are all good friends. One day, he went boarding with all the blokes and one of the girls. It was too advanced for me, so I said I'd stick to the easy runs with the two remaining girls, Amy and Kara.

That was the intention, but Amy didn't want to leave her bed. Kara and I tried to persuade her to get up, attacking her with pillows. Then Kara grabbed the covers and pulled them right off the bed. Amy was naked under them. She didn't try to cover up again, just lay there, showing off a very sexy body, daring us to make our next move.

Kara walked out the room, only to return with a bottle of flavoured vodka straight from the freezer. "Fuck skiing!" she said, cracking it open before getting into the bed. Amy insisted it was a 'naked bed,' so Kara undressed, as did I before joining them. There was a lot of giggling and we drank a few shots, then Kara and Amy started getting off with each other. Amy moaned as I nuzzled her neck and ran my hand slowly down her back.

I caressed her cheeks, then explored her crack, my fingers meeting Kara's on her clit. So I dipped them in her hole, fucking them in and out like a cock. Now Kara had her mouth on Amy's tit and I leaned over her body to suck the other. Amy was yelping with pleasure so Kara put a couple of wet fingers in her mouth to suck on.

Amy was grinding against us both, but then she spit out the fingers and asked me to eat her out. We moved around so she was on top of Kara in a sixty-nine, bum tilted upward, ready for me.

I started out with her twat, while Kara fingered her clit. She tasted good but I had an idea. I grabbed the vodka and poured a thin stream of it over her arsehole, running it down over her slit. I jabbed my tongue in and out of her, then moved upward, licking her bumhole as I dripped on a little more vodka.

She was tight yet soft around my tongue tip – I even got a touch of cock envy, wishing I had one to glide up that silky arse! Instead, I used my fingers and smeared vodka on her clit this time, giving Kara a little shot before lowering my own head to kiss her.

> A STREAM OF STICKY CUM JUICES RAN DOWN MY THROAT

Amy was already cumming, streaming with her own natural liquor, so we sucked and probed till she deadweighted over Kara's body, a mass of sweat and quivering in every muscle.

Kara mimed a blowjob with the vodka bottle, but I had something better to suck on. Usually my boyfriend will get back from the slopes feeling horny – he'll pull me into the shower for a fuck. But I've learned to pack a few toys just in case he's too exhausted to fuck me!

I got my dildo and vibrator from my room, and let Kara get her lips around the latex. I switched on the vibe and began to use it on my clit, and Amy asked for it. "You've only just cum!" said Kara, but Amy didn't want it for herself – she laid me down and began to work it all over my cunt. A few hard, ploughing thrusts seemed to prime my clit for more sensation, as she turned it up to max speed and held it to my button.

"Fuck…" said Kara, watching as I flailed around on the bed, totally out of control. She handed the dildo to Amy, then got over my face. Amy thrust the dildo into me, then it all went dark as Kara dropped her juicy, scented fanny onto my mouth.

She was frigging her clit hard, so turned on by our girlfriend fucking the hell out of me. A stream of sticky cum juices ran down my throat. Then she kneaded my tits, pinching my nipples, and it all seemed to hit at once – my body convulsed and I screamed into her slit as I came the hardest I ever have.

My boyfriend came back looking like some kind of snowbeast, pumped with adrenaline and ready to fuck me. He noticed the well-fucked state of my twat and asked if I'd been masturbating, which is when I remembered I'd left my toys in Amy's room! I waited till the next morning to retrieve them, and by the smell and taste of pussy on them, they'd been creatively used!

ERECT THIS!

As an architect, I have an eye for visual harmony, which is what first attracted me to these two girls who complemented each other to perfection. Mary the sultry brunette, Alice the nubile blonde; a pair of architecture students enthusiastic for the shock of the new. They'd gratefully accepted my offer of a private tour of my recently completed masterwork, Falling Sky – so called because this high-tech clifftop habitat enjoyed a vertiginous view of the sea.

As I watched Mary and Alice interface with the minimalist environment, I imagined their gasps of awe becoming moans of pleasure; deep groans of animal lust echoing around the stark expanses of my creation. I'd made the house such a clinically sterile environment that I could easily smell the perfume that barely masked the girls' feminine odour. I know cunt when I smell it!

I shared a few drinks with the ladies before showing them the bedroom. They got the idea right away. The room was lined with mirrors, like some kind of ultra-modernist funhouse. "It must be great to sleep in a room like this. Oooh, think of the dreams you'd have," observed the brunette, while I made a mental note of the way the blonde's short skirt intersected the linear flow of her thighs, imagining what lightweight material might encase her pubis.

"In my creations, dreams become real life," I said, quoting my own publicity. "Of course, a house is not a home until you've made love in it…"

"Welcome home, then," purred Mary as she proceeded to remove her blouse, displaying the upholstery of her uplift bra. "Kiss me!" she demanded. As I devoured her ruby red lips, her wandering hand found my hard-on. She unzipped my trousers and dropped to her knees. "Watch me suck it in the mirror," she panted before sliding those sweet lips over my helmet.

I glanced over at Alice, and saw that her skirt had ridden up her thighs. She was fingering her twat. "Alice, I want to eat your pussy," I said as I watched myself grab Mary by the hair and fuck her face. "Keep sucking it," I groaned, just as I shot my spunk over her tongue.

"We like an audience," Mary smirked, my jizz dribbling down her chin. Then she joined Alice on the bed, and I watched them, up close, as their bodies entwined, mouth-to-mouth, bosom pressed against bosom, cunt on cunt. Gradually they removed each other's clothes, and I saw Mary's plump buttocks descend on Alice's cute face, as Alice spread her own thighs ready for Mary's tongue to probe the delta of her pink chevron. I watched them gasp and groan until their orgasmic juices were saturating the bedsheets. My cock was hard again. I was ready to punctuate their organic compositional rhythms with my vertical shaft.

Kneeling on the bed between Alice's spread-eagled thighs, Mary proved receptive to my aim, gasping, "Fuck me!" I didn't need asking twice. I grabbed her hips and slammed my stiffie into her snatch, which felt nice and tight. I

KEIRA

PHOTOGRAPHY: COLBY

Why Keira is in a padded cell is anybody's guess, because clad as she is in fishnet tights and killer heels, it's more likely to be her driving blokes crazy and leaving them in need of some kind of psychiatric assistance than Keira herself winding up in the loony bin.

Perhaps the leggy blonde beauty missed out on the Next sale – ladies fashion tops less than half-price and genuine merino wool cardigans two for £30 – and it was all too much to take, or maybe she forgot to Sky Plus four consecutive episodes of *Eastenders* and missed the one where Ian Beale gets hit by a meteorite. Actually, did that happen or did I dream it?

Either way, for whatever reason Keira finds herself surrounded by cushioned walls, semi-naked and cavorting around like a woman possessed.

She's obviously lost the plot, and if you look at her for too long then the chances are that you will, too.

CHICKENS TONIGHT

Our intrepid US porn correspondent Renee Preston joins the dirty boys and girls of Diabolic on the set of *Spring Chickens 23*, and checks for fowl play…

Vanessa Leons got her nails did especially.

Spring Chickens 23
Starring: Sadie West, Hannah West, Rebecca Blue, Victoria Lawson, Amy Brooke, Vanessa Leon, Alex Gonz, Jenner, Pat Myne, John Strong.
Directed By: Sid Knox.
Available From: Diabolic.

Although there will always be a beloved place in our hearts saved for the porn legends of the past, there is another special feeling found in our pants that is reserved for the sexy batch of young starlets that are new to the game. These sweet birds of youth, complete with their jizz-induced dreams of superstardom and tight pussies, are only too happy to spread open wide in their quest of rising to the top. While others may refer to this fresh breed of cocksuckers as 'new girls on the block', others including Diabolic like to refer to these eager beavers as *Spring Chickens*.

In what is the twenty-third installment of this heavily praised franchise, director Sid Knox has sent out a personal invite for us to witness a new batch of five porn hopefuls as they hatch their way into our hearts one cock at a time. With tidings as sweet as this, it's a privilege to sit back and watch the cluckin', suckin', and fuckin' begin…

Fresh out of her exclusive contract for New Sensations, Sadie West is the first girl to spread her wings and fly. Although she is a bit more experienced than her other production sisters, Sadie is still one fine piece of ass that amps up any production she commits to. Today is no different.

Thankfully, I've arrived during the tail end of her glamorous photo shoot that has Sadie tugging at her blue bikini bottoms in order to shove a few greedy fingers inside her pink puss. Jenner, her cock for the day, watches her wiggle and sway for the camera on the sidelines. With a boner that is practically heard ripping a hole through his pants, Jenner nervously taps his foot and shakes his leg in anticipation for the hot hole that is moments away from being spread open for him.

Finally, when the last frame is clicked, Sadie rushes over to Jenner and slips her tongue down his throat saying, "I can't wait to taste your cock!" He follows her inside the house where they begin making out on a sofa. With the lights and camera crew already up and ready for action, Knox lets the heat naturally unfold by urging them to, "keep it hot, and keep it nasty."

True to her words, it doesn't take but a few moments before Sadie cements herself onto the floor to suck back Jenner's junk. With the first few swipes of her tongue, Jenner's body fills with goose bumps. "Suck nuts," he later

Amy Brooke could have a career as a Chloe Sevigny impressionist.

urges while balling up a fist of Sadie's black hair in one hand and pulling his shaft up with the other. Like a good little squirrel, Sadie stuffs his nuts in her cheeks before parking herself on the sofa in doggie and hollering, "Come and get it!" Like metal to magnet, Jenner hones in on her juicy centre and fucks her hard and deep. With a face smashed into the cushions, Knox urges her to keep her face up and her pussy open.

Sadie takes to the direction well and never lets up on the cock, even as she moves herself into and out of several more hot positions. After about an hour of intense fucking, the first scene of the day is sealed shut with a sperm filled mouth for her and a shit eatin' grin from him. It's a great start!

Beautiful Hannah West shows up next and is more than eager to yank off her tank top in order to show Alex Gonz the sexy bra and panty set she is wearing underneath. Not nearly as enamoured with the frilly fabric as she, Alex is more interested in getting to her bee stung titties and compact cunt that are housed inside. "That's cute baby. Now take it off!" he rushes, squishing her eraser tip nipples between his fingers until she bites her lip and coos. From here, it doesn't take long before their clothes are flying in all directions and these two are arranged in the 69 position. Now face to groin for the first time, these two fuckers begin to suck and spit in what becomes a cock and pussy free for all! With the camera panning around the hardcore action, the room fills up with the slurping sounds of her cock sucking and his clam dipping. "Fuck, this is the shit!" he calls out, smacking her perky arse and biting the soft flesh.

"Give me one more minute of this and then transition into your first position," Knox instructs. When the time comes, Hannah spins herself around and hunkers down in cowgirl. Again, Alex grabs her hips and forces her up and down his rod. In between thrusts, Hannah rises up from his cock and flashes her open bumhole to the camera. Could this be a sign for some anal action that's just around the corner?

After eagerly holding our breath, Hannah reveals the final answer when she contorts into reverse cowgirl position and slams his cock into her arse! Well, I suppose that's one way to get noticed, while licking up the pop that's later sprinkled across her titties is another.

After a quick lunch break and with a rejuvenated crew, the action

continues strongly when Victoria Lawson and Rebecca Blue team up to take down Pat Myne. Although he clearly welcomes their challenge, both girls still insist on teasing him just a bit by rubbing their nipples together and touching tongues before allowing him a squeeze. "Damn, these bitches are hot!" he nods, raring to go.

When he's had enough, he practically snaps his fingers and has both babes at his side sucking his cock and strumming his balls like a harp. In what unfolds into a little cock competition between the two dueling debutants, each girl tries to outdo the other by ingesting as much meat as they can in one gulp. "Now what?" Rebecca mocks when her sucking skills comes up just shy of a deep throat. Not to be outdone, Victoria wedges herself underneath and playfully tickles his arse with her tongue. Either way you look at it, Pat comes out the winner!

KNOWING THAT A SWIFT ANAL POUNDING AWAITS, AMY SUCKS LIKE A CHAMP

"We want dick!" the girls later shout out in unison, as Rebecca takes the lead once again in spoon. Treating her like a rag doll, Pat pounds her hard and doesn't let up. Rebecca spreads Victoria open on the armrest of the sofa and proceeds to spiral her tongue over her clit.

Obviously aroused by the slit slurping, Pat continues to slip his prick inside of Rebecca's hot pocket until her sauce starts to bubble up over the edges. "My turn," Victoria soon announces, ultimately getting nailed in doggie. After a few more positions for each, Pat unloads his venom all over their faces and urges them to, "suck it all up!" They do.

With the sweet waft of anal sex still in the air, Amy Brooke decides to give her tushy a tinker when she goes after John Strong at full bore by shouting, "I want your cock, and I want it now!" Always up for the backdoor challenge, John happily obliges, but not before getting his cock rock hard and ready with the help of a slobbery enriched blowjob. "Suck first then fuck later," he requests, watching her cheeks round out like a jawbreaker. Knowing that a swift anal pounding awaits, Amy sucks like a champ, winning praise from the happy director as well as her growing co-star. "You're a good little cocksucker," John compliments her.

Before too long, and after several minutes of intense vaginal stretching, Amy gets her wish. John parks his pecker in her arse as Amy comes to life and springs across his cock like a sprinter. John uses up her holes in several hot positions, including doggie and reverse cowgirl, before ending their scene with a very surprising anal cream pie finish. Clearly, this girl is hungry for stardom and is willing to do whatever it takes to get it. We like her!

After Jenner is rested, he returns for the final scene of the movie that has him working out the holes of Vanessa Leon. Looking dynamite in 80's exercise gear and yellow legwarmers, Vanessa takes her spot on the staircase and positively beams once Jenner pokes his pecker through the rails.

She grabs on tight, with a steadfast grip, and shoves his wang to the back of her neck. She spurts and sputters all the while but never gives up despite the interruption of her obvious gag reflex. "Do you like the way I suck?" she questions Jenner, as he nods his head and continues to grind his hips into the railing.

Once he comes around to join her, she is more than willing to do whatever he asks. "Sit on my cock," he requests. Enthusiastically, she rolls onto his hips for some reverse cowgirl action that has him mesmerised by the sight of her Latina butt bobbing up and down.

He dribbles spit across her back and locks her in a bear hug before power grinding her from underneath. "Ride me out!" he continues to wail.

Although hot, Vanessa really stands out when she takes a vaginal beating as Jenner morphs into this sexual deviant that fucks her as hard as is humanly possible.

She takes it, of course, and even goes the extra mile by rewarding his play by allowing him to pop on her pussy. How's that for some spicy chicken?

As the two fuckers dust themselves off, I leave the set with a permanent smile on my face that still exists to this day. With lust in the air and sexy chicks blowing in from every direction, the forecast for *Spring Chickens 23* has dropped and it promises to be extra hot with a definite chance of cum showers!

GINA

PHOTOGRAPHY: EXPOSUREZONE

The freezing cold, blizzards, snowdrifts and treacherous roads and pavements are hopefully behind us – well, at least for a while, anyway – so who better to help us forget *that* horrible winter than Gina sunning herself by the pool and reminding us that the balmy Summer months are just around the corner.

Admittedly, in England we'll probably only get about three days of sunshine, but even a few days of moderate warmth are better than shivering your bollocks off, slipping on your arse, getting stuck in some huge traffic jam because no-one has bothered to grit the roads, or finding that public transport is all to cock just because it always bloody well is!

Okay, rage over. Think nice weather and gorgeous girls like Gina wearing flimsy summer dresses or sunbathing in bikinis in the park… Yes, that's much more like it.

SAFFRON & KIKI

PHOTOGRAPHY: TANIA STEVENSON

Admittedly, kitting out sexy young lesbos Saffron and Kiki in cheerleader outfits was a stroke of genius from Tania Stevenson, as it makes them look really cute and sexy, but have these two uniform sluts ever actually danced around in short skirts and jiggled their pom-poms for their favourite team?

Kiki: (Laughing) "Hell no! That was for all the goody-two-shoes girls at my college."

Saffron: "Same here. Today was the first time I've ever worn a cheerleader's outfit, and I'm sure what we did was a lot more enjoyable than doing back-flips and shouting stupid stuff like 'Go Colts!' or whatever."

Okay, so we apologise for the fact that neither of these gorgeous girls are authentic cheerleaders, but does it really matter when their lust for each other is completely genuine?

Saffron: "You could dress Kiki up in anything and I'd still fancy her. The outfit didn't matter at all, I just wanted to yank her panties down and lick that sweet pussy of hers."

Kiki: "My thoughts exactly. Saffron would look incredible wearing most things but even better wearing nothing. Can we not just start off naked next time?"

I'm sure it can be arranged…

RULES OF MAN

ARE YOU A MAN? YES, BUT ARE YOU A REAL MAN? DO YOU SPEND YOUR SUNDAYS WATCHING SNOOKER, DRINKING BEER AND HITTING NAILS INTO BITS OF WOOD? ARE YOU AS AT HOME IN A CAR SHOWROOM AS A LAPDANCE CLUB? FOR GOD'S SAKE, DO YOU EVEN KNOW HOW MANY MILES YOU GET TO THE GALLON? COME ON MAN, GET YOURSELF SORTED. THESE ARE THE RULES THAT DEFINE A MAN, MAKE SURE YOU OBSERVE THEM... CAREFULLY!

The Theatre

Let's face it, there's going to come a time in your life when you'll be bullied into taking a bird to the theatre, and it'll probably end up clashing with an important football match. The scenario will vary. It might be to try and impress a new girlfriend with something intellectual, to shut the missus up and stop her pestering you to take her to a hateful musical that she fancies – think *We Will Rock You*, *Mamma Mia*, or some other such garbage – or you might get henpecked into treating your Mum to the latest crappy whodunit. The only thing that's certain is that one day you will inexplicably find yourself fidgeting around in a too-small seat with no legroom while actors ponce around onstage; the only silver-lining being the interval, when you get to have a pint – two if you're quick – and a slash.

However, although you can't expect this trip to the theatre to actually be enjoyable, there are things you can do to ensure it isn't akin to pulling teeth, Chinese water torture, or having someone take a power drill to your forehead.

Firstly, before you book, always check the running time. Some so-called intellectual plays can be just an hour long, meaning you won't get too bored, you'll look cultural, and there'll be plenty of time to 'critique' the performance in the pub afterwards. The last thing you want to do is go headlong down the treacherous Shakespeare route and get lumbered with three hours of prancing around for your troubles. Ballet and Opera are a no-no for similar reasons.

Secondly, try to pick a show that features one or more fit actresses in various states of undress. This is easier than it sounds, as if there's one thing these thespians love doing it's getting their kits off 'in the name of art'. Farces are hotbeds of nudity and undies, as is anything featuring Anna Friel. If they're celeb breasts even better, and a sighting of pussy better still. Worth the admission fee alone.

Finally, and perhaps most importantly, try to go to a theatre where they let you take alcohol to the seat. Line three pints up and bed in for the first half, slowly getting hammered while the action unfolds, blissfully unaware of the disapproving looks you're receiving from more seasoned theatregoers. And if you get a glimpse of tit while you're doing it then you've only gone and got a result. Who knows, a man could take to this culture lark!

Being 'Eco-Friendly'

Everybody seems to be obsessed with saving the planet these days, and it's important that us blokes are seen to be doing our bit. We don't want to come across like cavemen, after all. For example, if there's a gap on a Saturday between the end of *Football Focus* and the beginning of the horse racing, turn the telly off at the plug instead of leaving it on standby.

Energy saving lightbulbs should be fitted to every socket so you don't suffer those pesky feelings of 'eco guilt' when you forget to switch them off, and if you've got one of those toilets with two flushing options, make sure you always press the short flush for a slash/one log dump, and the longer one for multi-stool despatches and those hefty turds that often follow a large Sunday lunch or a Guinness binge.

If you have to go to the supermarket, don't take the car. In fact, you don't have to go at all – just order it on the internet and get the bastards to deliver it to you. After all, if they're out and about anyway they might as well drop by with your weekly shop, and it'll save you putting your back out lunking around those weighty 24 can slabs of Carlsberg.

WE DON'T WANT TO COME ACROSS AS CAVEMEN, AFTER ALL

As for recycling, separate the empty cans from the bottles, rinse them out and put them in the relevant boxes or bins. The wife can sort out the food packaging and whatnot. After all, that's got nothing to do with you.

No, being an eco-warrior isn't easy by any means, but imagine a world where there are no winters, summer temperatures soar as high as the mid-thirties, and the polar icecaps have melted to the extent that the whole of Norwich is under water.

Okay, so it doesn't sound so bad when you put it like that. But to be fair, when has this eco-friendly thing ever been about the consequences? If changing a few lightbulbs, having your shopping delivered and pushing the correct flush on your bog allows you to boast that you're playing your part in saving the planet from utter ruin then surely it's worth getting involved.

After all, remember that the life of any man is so much sweeter when enjoyed through a clear conscience and an unjusttifiably inflated sense of self-worth.

TEAGAN

PHOTOGRAPHY: EARL MILLER

What hasn't been said about industry legend Teagan Presley really isn't worth saying, so I think we'll stick to the usual stuff about her having a great arse and generally being one of the most popular and all-round incredible girls in porn.

Just for the record, I should probably also mention how amazing it is that, after making more than a hundred mucky movies – many of them featuring some incredibly hard and demanding scenes – and taking time out to have two children, the Californian cutie has still managed to retain that beautiful, slim figure of hers.

Oh yes, and then there's Teagan's continued enthusiasm for making really filthy films – she scooped the award for Best Solo Scene at this year's AVN Awards – even though she could easily rest on her laurels and churn out some lame feature every now and again.

To summarise, Teagan is brilliant. But you already knew that, right? Perhaps I could've saved both your time and mine by just saying that in the first place…

THE WEIRD WORLD OF PORN

THOUGHT RON JEREMY HAD FUCKED EVERY PORN STAR GOING? THINK AGAIN. THE LEGEND GOES ON SET AND FINALLY TICKS OFF THE NUMBER ONE GIRL ON HIS 'MUST DO' LIST... SUNSET THOMAS!

Big Ron warms up by stuffing Roma!

What's going on dudes! *MensWorld* magazine has graciously invited me to make another special 'cunt-tribution' to their fine magazine, so here I am again! And this time around I really did score some fine cunt, and some famous twat at that. For yes, my friends and foes, I am glad to report that, after some 18 years of waiting patiently, one of my last porno fantasies has at long last come true – I got to fuck my great pal Sunset Thomas in a hardcore sex scene!

Yup, finally! I have been friends with Sunset since way back when and although we have worked on many adult projects and PR stuff together over the years, it just so happened that we never banged on-camera. This actually happens to a lot of hardcore film stars, that despite the fact that they have been in porn for years, even decades, by sheer chance, they don't wind up screwing some other performer who has been in XXX during the same time period.

And this occurred with me and Sunset – until just recently that is, when I got my crack at that little blonde buxom cutie in her last sex flick ever, *Into The Sunset*, directed by Axel Braun. After starring in more than 200 sex titles in a carnal career spanning almost 20 years, the legendary Sunset Thomas decided to do her last hardcore fuck flick. Now, if you think that me being in the movie, and getting to have sex with Sunset is the film's main selling point, well, sorry to say it's not! But one of the most interesting aspects of *Into The Sunset* is that Vavoom spent months running a contest to actually cast a fan to appear in a sex scene with her as well! That's right! Sunset told me herself. "I couldn't think of a better way to say 'thank you' to all of my fans than by giving one of them a chance to get up close and personal with me!" So she did! The winner? A regular Joe named Chris Bellis from a place called Windgap, Pennsylvania, was named 'the ultimate fan' and was flown to Los Angeles to be on set with Sunset and I, and the rest of the cast, to get laid!

What? I have been dying to screw Sunset for years, and this dude comes out of nowhere, wins a contest, and steps right in-between her legs? Not fair! Ah, I'm just kidding of course, but you have to appreciate the irony though! And it is this very theme, Sunset's search for the perfect penis, that makes up the script for the film, and with a great cast – Penny Flame, Brooke Banner, Mia Presley, Lexi Love, Roma – to pull it off. You might think that having a brand new guy, with no experience in porn, in such a sticky situation might cause some problems, but I was there, and he did just fine. And Sunset was thrilled to bits with him. "The fact that I had a chance to share

Sunset aims for the corner pocket!

Ron disappears into the sunset!

this moment with one of my fans was amazing! He did a great job and added so much to an already fantastic movie!"

I don't want to give away too much about *Into The Sunset*, but I have to tell you just a bit about my role in it, as I got to play an educational part, as Sunset is shown on-screen actually recruiting me into the project to coach Chris. So I start to fuck Sunset to show him how it is done while Sunset starts to blow him. And when Chris is ready, he jumps on her and rams her home!

THIS DUDE WINS A CONTEST AND STEPS RIGHT BETWEEN HER LEGS? NOT FAIR!

The three of us are then joined by Marco, who takes a crack at Sunset, and then for a fifth, in comes Roma to complete the five-way orgy. And when Sunset gets her pretty mug made even sexier with a full load of man-cream, it really does spell the end for the movie, and Sunset's incredible run as a famous porn actress.

Of course, many porn stars retire, and then years, or sometimes just months later, come back into XXX – but I believe Sunset is sincere about her exit from on-camera erotic efforts. I mean, this was her first film in years as it is, so obviously she is not addicted to the fame or money. And you know, Sunset has always had her shit together, never letting all the awards she has gotten over the years to her head, not being afraid of the porn industry reaction when she became the first porn star to openly work at the Bunny Ranch brothel in Carson City, Nevada. In other words, she's no porn flake.

That is just about as much as I want to spill about my great friend Sunset and her last movie – at this point, just go out and buy it and stop fucking around, okay? That's an order! You know why? Because, to be honest, I am getting a little emotional about this. Yeah, I know, it's all porn and showbiz and all that crap, but to be honest for a second, when you know someone for so long in porn, and they finally call it a day. Well, it really makes you think and reflect, about all the time that has gone by, and all the good times you've had together, and how well, the times, to at least some extent have come – no pun intended – to an end. So let me say this loud and clear: Thank you Sunset for all the fun times we have had together over the years. Thank you for giving me so many laughs and good times. Thank you for being such a good friend at all times. And of course, thank you for letting me finally fuck you…

Joe Sixpack gets in on the action too!

RUBY

PHOTOGRAPHY: SAGE STYLE

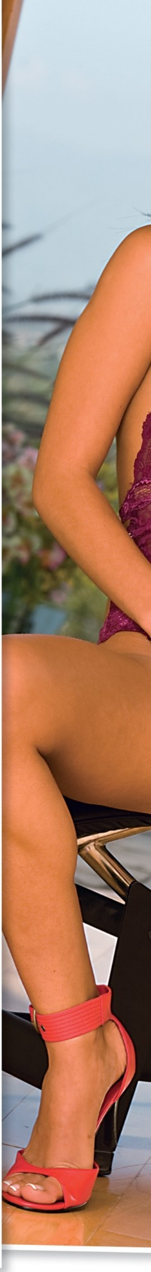
RUBY

Unexpected events can happen at photo-shoots, especially when you're not prepared for something out of the ordinary. When you've been in the business for a while, like little old me, you get used to the regularity of the job – you show up, get your make-up plastered on, fuck, suck and lick till you're exhausted, take your pay cheque, go home to a glass of wine, a DVD and a yapping puppy (okay, maybe that's just me, but you get the picture). But there are some days that buck the trend, and they don't come around often enough, but when they do you get knocked off your feet and remember why the hell you got involved in this industry in the first place. I wanna tell you about one such day.

It was November, and it was chilly. I was booked to show up at 10am, and unlike some of the nasty little skanks you get in the biz, I pride myself on my professionalism. Showing up at twelve-thirty with a pretty mean hangover, I got taken to one side by the director (who, let me tell you right now, is already finding it hard to get work again after I dragged his name through the mud) and given what I believe you people call "a bollocking".

He proceeded to chew me out (not literally – I'm getting to that bit) in front of the crew, as well as the couple I was due to be creating a threesome with on camera. Everyone was looking at their shoes, and I have to say my fragile state of mind (alcohol-related) led to a few tears on my part. That didn't shut 'Spielberg' up, he just kept shouting at me for wasting everyone's time, shoved me around and told me to get into make-up. Prick. So anyway, I got myself together, joined the couple – Steve and Katie – on set, and prepared for the scene.

It was kinda weird, I have to say. Steve and Katie are a genuine couple who only perform together, as they've been married for five years. I think they're pretty popular on the web, they've got their own site which they run themselves, and this was the first time they'd ever done a scene with anyone else. I could immediately sense that Steve was pretty excited about this – carte blanche to stick his dick in another woman (and a pretty hot one, I'm sure you'll agree) under the approving eye of his wife (who's gonna be busily sucking on that



MY PUSSY TASTES SWEET AND SHE WANTS MORE OF IT woman's tits while he drills her). Yeah, I know what you're thinking – lucky fucker. But I could also sense that wifey wasn't 100% keen on what was about to go down. She looked pretty apprehensive about the whole thing, although I caught her checking my curves out while I stripped down to my lacy underwear.

The minimal crew and cunt director took their positions on set, and the three of us ploughed through some dopey dialogue about me being the new neighbour and catching them in the middle of a bunk-up, and being asked to join in. Within minutes, I was with Steve and Katie on the bed, running my hand up Katie's thigh as she pulled away from her hubbie to check me out.

Let me tell you about Katie – she has long, blonde hair (straight) and a pert pair of tits. If she was taller than five foot, you'd have sent her down a catwalk in the coolest clothes, but cos she's short she wound up in porn. But yeah, as much as I like cock, my thoughts were on getting my hands on this gorgeous chick (also, cock can be a bit daunting when you're hungover, believe me).

Steve watched, his dick twitching happily, as I pulled his already-nude wife close to me and forced her hands all over my body. I could feel my pussy juice up immediately as I saw the effect I was having on her. It struck me as her hands pulled my knickers down over my bum, stopping to stroke my freshly-shaved cunt as they went, that if they'd only worked with each other over the past few years, then her experience with girls would have been pretty limited. I laughed about this in my head as I pictured what I'd been up to the night before (which involved burying my tongue in the snatch of a total stranger in the toilets of the club I was in till 4am) but I stopped laughing as soon as Katie pushed me back on the bed and buried her tongue in my hole.

Shit, that felt good – all thoughts of hangover were eradicated as I lay back and got a proper licking-out. Yeah, she wasn't faking for the camera, she really wanted to taste me and make me cum, and I wasn't going to stop her. And neither was Steve. For a guy with a cock that looked like it was about to burst, he was holding back at the frankly wondrous sight of his wife getting it on with a professional porn slut. Sure, he was tugging the meat but I was quite surprised he wasn't sticking it in my mouth (and a little

annoyed too – I love having an orgasm with a mouthful of hard dick, and it just doesn't happen often enough).

It was around this time that I noticed something weird. I was moaning and groaning, and I guess the noise must have cancelled out everything else, but I opened my eyes just as I was about to climax and I saw the director leaning over me with a face like thunder. Katie stopped licking, I sat up, and Steve (in a daze) clutched his twitching boner. "The crew fucked off ten minutes ago," snarled the director. "We had to give back all the camera kit – it was on loan. You're fired, the three of you. Cunts." He stormed off, out of our lives (and out of the biz too, if my gossiping has done its job).

Realising we were alone on the set, I looked over to Steve and Katie, wondering if they'd wanna carry on now that the shoot was over, and none of us were getting paid. Steve was still hard, Katie had a look in her eye that meant only one thing – my pussy tastes sweet and she wanted some more of it.

I lay back and she parted my lips again and started working my clit with her tongue. This time, Steve didn't hold back – I got my wish. With his bulging dick in my mouth, I lay on my back and felt a huge orgasm rock my body, Katie running her hands up my body to clutch my tits as she lapped between my thighs. Poor Steve couldn't hold back. I groaned and bucked with his dick firmly between my lips, and I felt the salty rush of his spunk squirting straight down my throat, not even touching the sides. He held his wife's hand on my boob as he came, which I thought was sweet, and it took a good couple of minutes for he and I to regain our composure.

I sat up, wiped the last drop of his cum from my lips and looked at Katie, her lipstick smeared around her mouth. Like I said, she could have been a catwalk model with those looks. I can't tell you how glad I am that she wound up in my profession instead. It was her turn, and I couldn't wait to return the favour. No time to tell you about it now – let's hope they get me back in these pages again soon so I can tell you guys what happened next. Ciao!x

SHYLA STYLEZ

PHOTOGRAPHY: SCOTT PRESTON

After almost nine years in the industry and with the best part of 250 movies to her name, you could be tempted to call big-boobed blonde babe Shyla Stylez a veteran pornstar, but we recommend that you do it out of her earshot.

"I'm definitely in my prime right now, and I defy anyone to tell me otherwise!" she told us when we asked her what it was like to be considered one of the more 'experienced' performers in the business.

"Some girls burn themselves out real early by doing like 200 scenes in their first year, but I think I've paced myself. I feel I'm hotter and sexier now than I've ever been before, and of course men love a woman with experience."

Naturally, we agreed, and not just because she threatened to beat us to death with one of her platform stiletto shoes if we didn't.

No, we agreed because it's there for all to see – Shyla is a girl who is looking better than ever.

banged away until she was whimpering, and then I withdrew and stuffed my dick straight into Alice's waiting mouth. The blonde sucked me off while frigging herself to the brink of climax. Then I switched holes, falling on her like some collapsing building. She flung her legs over my shoulders as my piledriver excavated the depths.

"Eat me," Alice pleaded as the first waves of her climax subsided. I lay back on the bed as she lowered her clam onto my face, while Mary slid her twat down my pole. The two babes, impaled on cock and tongue, fell into each other's arms.

Everywhere I looked all I could see and smell was cunt. Cunt of blonde, brunette cunt; tight, wet cunt. Then I slipped my cream-coated cock out of Mary's pussy and back into Alice's mouth, and, lubed with her spit, slid once more back into Mary until Alice took my greasy meat in hand, and I began to spunk like a fountainhead.

Wad after wad of my jizz flew into the air, then fell down onto Mary's arse and Alice's tits. And then the two pilgrims licked my seed from each other's flesh; a fitting homage to my mastery.

CUBICLE CUNT!

I'm a rampant lipstick lesbian who just loves any opportunity to try some fresh pussy. My live-in girlfriend works nights, which is usually when I'm at my most horny, so I'm very lucky that she's cool with me trying out other pussy while she's away. In fact, it really turns her on to hear of my naughty adventures, then re-enact them with me the next day! So I get twice the fun – but then I always was a greedy girl!

One particularly sultry night I was cruising a local lesbian bar looking for a pick-up. I'm really into being feminine, and love my girls that way too. And I soon spotted this sweet-looking blonde who was just how I like them, and really made my pussy throb.

She had cropped blonde hair and a really pouty full red mouth, biggish tits and a great firm, round bum. "She'll do nicely," I thought.

My big come-on to this blonde called Anna started with me following her into the toilet, where there was already some interesting action going on in some of the cubicles. She'd been giving me the eye across the bar, so I figured she wouldn't mind me following her into a cubicle to get better acquainted. At first she looked a bit surprised, but then she grinned as she pushed the door shut behind me, and we got friendly for a while. Yes – friendly in that way!

Anna had great tits, and her nipples were really hard when I sucked them, but I wanted to enjoy this babe properly in the comfort of my flat. So what if my girlfriend came back early – we'd just turn it into a threesome! Besides, I had some great sex toys I wanted to try out on this lovely lady!

Back at mine, we

I WORKED THE VIBRATOR EASILY INTO HER PUCKERED SPHINCTER

didn't waste any time. In fact we were so turned on we never even made it to the bed, but stayed writhing around on the sofa. We quickly got naked and I got a great eyeful (and mouthful) of Anna's juicy bobbs before getting into a 69 position – my favourite!

My cunt was dripping in anticipation, and while I buried my face in Anna's close-cropped creamy snatch, she was hungrily tonguing my slick, swelling gash.

We were both moaning in pleasure and grinding into each other. There was only one thing we needed now, and that was some firm dildo thrusting! I rustled up some of my favourite twat tools, letting Anna have the first go wearing the strap-on with the double-ended jelly dildo.

Lying back on the sofa, I let her straddle me, pumping one end of the dildo rhythmically into my sopping cunt as the rest of it disappeared into her slippery love box. Believe me, it didn't take me long to reach a shuddering climax, or her – but of course I was soon hungry for more!

When it was my turn with the strap-on, I buckled it on – this time with my super-fat, realistic ten-inch prick dildo – complete with balls! I wanted to give this girl the ride of her life. First I was on top of Anna, giving her every fat inch of that monster dick, and, boy, did she love it!

"You've done this before!" she panted as I kept up the pace, every now and then throwing in some fancy pelvic wriggling.

"Yes, so enjoy every inch," I replied before we swapped positions, and she rode me cowgirl-style to seventh heaven, while I squeezed those magnificent tits. I guess I wasn't the only greedy girl, because it didn't stop there. We wanted another climax each at least before the night was through!

Next up, I was fingering Anna's juicy pussy and licking her tight little arsehole as she wriggled her bum in my face, all in preparation for my next toy – an anal vibe. First I eased it into her soaking snatch so the juices lubed it up ready for her cute bumhole. Anna begged me to fuck her arse, so I worked the vibrator easily into her puckered sphincter, which tightened around it.

As I upped the tempo, she groaned in pleasure while rubbing her clit, so I helped out with my tongue. She came, smearing her honeyed juices all over my face, and I took the opportunity to kiss her gorgeous mouth so she could taste the girl-cum too.

This time I didn't need any toys to get me off. The two of us climaxed together, rubbing our deliciously wet cunts against each other in juicy orgasm. This blonde's so good, I'm definitely suggesting a threesome next time!

MEGAN FOX AMANDA SEYFRIED
JENNIFER'S BODY

Jennifer's Body

20th Century Fox, £19.99

Even if this film was a load of rubbish, it would still be worth watching for the presence of the gorgeous Megan Fox, who plays the 'femme fatale' cum flesh-eating demon, Jennifer Check, at the centre of this comic horror romp. Thankfully, however, it's also actually pretty entertaining, which makes *Jennifer's Body* a more than worthwhile way to spend 102 minutes of your time. And it's a fuck of a lot better than *Transformers 2*, that's for sure.

After dragging her best mate Anita (Amanda Seyfried) to go and see her favourite band, Jennifer ends up backstage, but instead of sharing her orifices in an orgy of sexual pleasure, as you might expect a rowdy rock act to do, they take her into the woods and offer her up as a virgin sacrifice to the devil in return for fame and success. Yes, it sounds a bit far-fetched, but apparently Razorlight did something similar back in the day...

The plan goes wrong when it turns out that Jennifer isn't a virgin at all, and instead of dying a demonic spirit takes over her body, transforming Jennifer from a college hottie into a murderous vixen who must feed on human flesh to survive.

Fox is perfect as the vampish temptress who seduces men with her charms before lunching on their bits, and Amanda Seyfried offers admirable support as the best buddy with lesbian designs on her hot chum. And yes, they do get it on at one point... What more do you need to know?

Adventureland

Miramax, £15.99

Remember those long summers of your student days, just relaxing in the park or the pub, trying to get off with girls and talking excitedly about the opportunities that life and the future might have to offer? If you're suddenly feeling nostalgic and gazing all misty-eyed into the middle-distance, then *Adventureland* is for you.

It's the summer of 1987, and James Brennan (Jesse Eisenberg) has just graduated from college. He's looking forward to a few months backpacking around Europe, but when his parents suddenly announce that they won't be able to stump up the cash, he has to change his plans. Brennan instead gets a crappy holiday job at Adventureland, a downbeat local amusement park in his hometown of Pittsburgh. Although initially a bit pissed off that his summer of travel has been replaced by being punched in the testicles by his childhood friend Frigo, who also works at the park, and being threatened at knife-point by angry customers, he soon finds friends, romance and perhaps that missing out on Europe wasn't such a bad thing after all.

With great performances across the board, a witty and offbeat script, and a soundtrack brimming with 80's nostalgia, this gem might just take you back to the days when summers went on forever, life's possibilities seemed endless, and the 9-5 grind hadn't yet had the chance to crush your spirit in its vice-like grip.

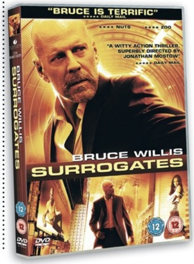
Surrogates

20th Century Fox, £19.99

The premise behind this movie is brilliant, and certainly one I would like to see implemented in today's society as soon as possible. Essentially, in the world of *Surrogates*, humans have a robot 'surrogate' version of themselves that can be sent out into the real world to do all the boring stuff like going to work and shopping.

In the meantime humans live the life of Riley, watching *Deal Or No Deal*, playing Xbox, and wanking themselves dry over *Cash In The Attic*. Or something like that, anyway. The only problem with this utopian existence is that someone has started murdering the surrogates and their owners, which is where grizzled cop Tom Greer (Bruce Willis) comes in.

For the first time in years he must venture as himself into the real world and track down the killer, risking his life and missing four episodes of *Countdown* in the process. A genuinely interesting concept – based on the theme of the comic book series of the same name – is a little let down by a clunky script and the decision to opt for mindless action over insightful plot building. Still, Brucie's high-octane performance makes this worth the watch, but don't expect too many thoughtful musings on the future of humanity.



Pontypool

Maple Pictures, £15.99

This idea of a virus turning the human race into a bunch of angry zombies is getting a bit hackneyed by now, but when you see how some people behave sometimes, would it be really that much of a surprise to find it had already happened to a healthy chunk of the populace? With this in mind, I guess it's no wonder that these 'infection' type movies keep coming.

This outing finds us in *Pontypool*, a remote snow-bound town in Canada. A normal day suddenly turns into something much more sinister, as news comes in to the local radio station from reporter Ken Loney of random acts of extreme violence taking place around town. Things escalate as he tells of people having seizures, developing strange speech patterns and generally slaughtering each other. Holed up in the basement of Pontypool's abandoned church from where the radio station broadcasts, hangdog 'shock jock' Grant Mazzy and the staff on the morning show find themselves trapped in the midst of the carnage outside, faced with the reality that their broadcast might actually be helping to spread the virus.

Packed with atmosphere, suspense, and some genuinely witty moments, *Pontypool* is a low-budget flick that's high on originality.

Push 2 Play **Digital Playground**

DIGITAL PLAYGROUND
PUSH 2 PLAY

Firstly, before you even consider buying this movie, a word of warning – if you don't like blondes then you won't like *Push 2 Play*. However, if you do like blondes, then by jove this is the movie for you! Indeed, featuring as it does Alanah Rae, Crista Moore, Kagney Linn Karter, Alexis Texas and Bridgette B teasing, pleasing and taking hard cock in their tight wet pussies, *Push 2 Play* is probably the best collection of sexy blonde pornstars I've seen in quite some time.

With her big boobs and pretty face, Alanah Rae is a pleasure to watch. And if she's sucking on a cock like a lollypop or straddling a throbbing tool then so much the better, particularly as she seems to love every minute of the onscreen action.

Typically enthusiastic performances from Alexis Texas – yes, the one with the incredible bum – and pixie-esque pocket rocket Crista Moore are also a sight to behold, but they're only really an appetiser for two girls who I think are possibly the hottest in the industry right now. Kagney Linn Karter is all big tits, blonde hair and passion, and her scene with a tattooed cocksman will have you coming back time and time again to see her boobs bouncing as he pounds her super-fit body.

Bridgette B's curves are similar to Kagney's, and she's all sultry looks and satisfied smiles as she sucks dick and takes it in doggy-style clad in sexy thigh-length boots. I predict a damn big future for this girl!

Push 2 Play is another stunning offering from Robby D and Digital Playground, but only if you're a fan of blondes!

STARRING GINA CARRERA
"ROCKY GETS RAUNCHY!"
STIFF COMPETITION

Stiff Competition

Joy Bear

These retro porn movies can be a bit hit and miss, but although this 1984 release does admittedly look a bit dated, the combination of a strong cast, big budget, some great shagging and a crazy yet hilarious storyline makes *Stiff Competition* well worth a watch.

Gina Carrera, who plays lead character and oral expert 'Tammy The Tongue' is a sexy all-natural blonde, and she's ably supported by hot redhead and champion blow-job provider Cyndee Summers. Bridgette Monet isn't quite in their league cock-sucking wise, but she is responsible for the best fucking scene in the movie with her then real-life boyfriend, Dave Cannon. The male talent is also from the very top drawer, and includes legendary cocksmen Ron Jeremy, John Leslie and Herschel Savage.

Plotwise, *Stiff Competition* is also top-notch, and concerns a cock-sucking clash featuring our trio of sexy stars. Bridgette tries to break the current blow-job speed record – apparently held by champ Cyndee Summers – by rapidly siphoning off punters in a seedy nightclub, but when the come doesn't fly she storms off and pretender to the throne Gina Carrera steps in and sucks some bloke to eruption in no time. Chastened, Bridgette phones Cyndee and tells her what's just happened, and Summers decides to take on newcummer Gina Carrera in a bizarre blow-job clash in a boxing ring to see who sucks the best dick.

With the competitive cock-sucking and zany finale interspersed with some top pussy-plugging action – including Bridgette Monet's show-stealing shag – this is a spunk-soaked blast from the past.

BUST LUST

Bust Lust

Harmony

Harmony have had an uncanny knack of assembling some really quite mind-bogglingly gorgeous girls for their movies recently, and this one is no different, showcasing as it does the chests of the likes of Jenna Presley, Angelina Ashe and Jessica Moore. *Bust Lust* indeed...

However, it's another two generously breasted beauties that get us going – filthy blonde stunner Aiden Starr and hot girl-next-door type, Sara Stone.

Aiden is smoking a cigar in a rather suggestive fashion, admiring Sara from afar as she fondles her big tits. But Aiden isn't afar for very long, and soon they're licking and groping at each other's boobs and fingering one another's soaking wet slit.

Just when I was thinking that this was simply going to be a very hot lesbo scene, two blokes enter the fray. They give the ladies a good shafting and, as you might expect, glaze their funbags with cock cream.

It's a high-energy opening featuring a couple of cracking girls, but better is still to come. Cute blonde Jessica Moore takes on a couple of studs and the beautiful Jenna Presley goes all BDSM as she's blindfolded and chained to some metal bars. Thankfully the raven-haired strumpet is freed in time to give a rather lucky bloke a tit-wank-cum-blow-job.

However, Jenna is just pipped to the hottest totty on the DVD award by blonde bombshell Angelina Ashe. Clad in sexy undies and suspenders, she takes cock in a multitude of positions before copping a load on her cleavage. Quite simply, tit-tastic!

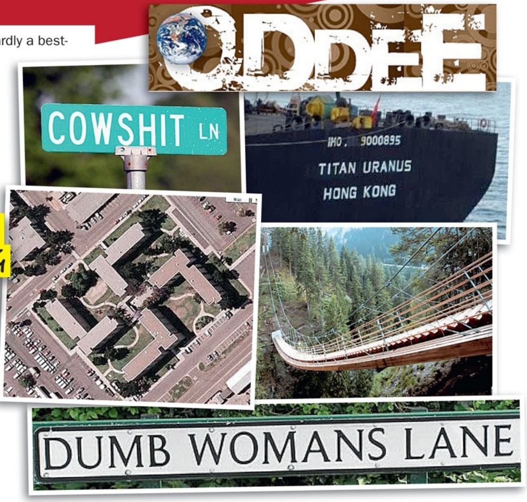
NOT SAFE FOR WORK

THE INTERNET IS USEFUL FOR A GREAT MANY THINGS, LIKE CHECKING THE LATEST NEWS, BUYING CRAP YOU REALLY DON'T NEED AND KEEPING UP TO DATE WITH YOUR VIRTUAL 'FRIENDS'. PERSONALLY, WE LIKE USING IT TO PLAY GAMES, LOOK AT PORN AND WASTE TIME WHEN WE SHOULD BE WORKING. HERE ARE SOME OF THE BEST SITES WE'VE FOUND...

ODDEE.COM



With over 3.5 million hits a month to its name, *Oddee* is hardly a best-kept secret, but it's popular for a reason, and anyone who has yet to discover this jamboree of weird and wonderful funny stuff from this crazy place they call Planet Earth should head there straight away and expect to be entertained.

Serious content like pictures of some very impressive sand sculptures, a list of the world's most inspirational people and, ahem, ten amazing staircases from around the globe (surprisingly good) sits alongside laugh-out-loud randomness such as the 12 worst Photoshop mistakes ever, the 15 funniest road and street signs, and some boats with very rude names. There's also a great section on the strange things people have found on Google Earth, which is particularly fascinating.

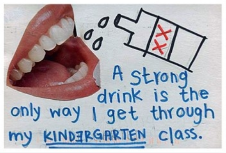
> "A HUGE MELTING POT OF INTERESTING & HILARIOUS BITS"

Essentially, *Oddee* is a huge melting pot of interesting and often hilarious bits and bobs sourced from all around the world, and represents a great way to waste an hour or three, whether it be at work or at home. A brilliant showcase for the joys of the internet!

THEYWORKFORYOU.COM

Okay, so this one's a bit 'dry', but with everyone seemingly moaning about how politicians these days are just a bunch of lazy, lying, self-serving bastards, why not find out exactly what they're doing for you with this brilliant resource? Run by volunteers, *They Work For You* features – amongst many other things – transcripts of House of Commons and House of Lords debates, Written Ministerial Statements and Written Answers, detailing in an easy to follow format which MPs said what, on what issue and when. It even offers a clickable list of MPs so you can easily locate their contributions to debates and how they voted, and if you fancy you can send them an email to ask them why.

POSTSECRET.BLOGSPOT.COM



A strong drink is the only way I get through my KINDERGARTEN class.

The premise for this one is fairly simple, as is often the case with the best stuff on the web. Described as a 'community mail art' project and set up by Frank Warren – the 'Post Secret Guy', not the boxing promoter guy – people are encouraged to send their never before revealed secrets to the site on one side of a homemade postcard, and the results vary from the very funny to the incredibly moving. Unfortunately there's no archive, and you've got to log on every Sunday to see the latest contributions, but it's worth it for an intimate and unique insight into the lives of complete strangers.

PASSIVEAGRESSIVENOTES.COM

passive aggressive notes.com

Passive aggression – the preserve of polite angry people the world over. Or is it just us British? If you're the kind of person who finds it difficult to confront people with your various beefs, then you'll no doubt want to write them a terse note, and there's plenty of those to enjoy on this highly amusing website. From the bloke who has had his bagels stolen to the old codger who doesn't like sharing her toilet, these hand-written signs might seem fairly measured, but beneath the surface a terrible rage is simmering. There's also a section devoted to Facebook faux pas, and the parents' flippant comments to their daughter who has just 'secretly' announced her engagement on there without realising her folks are users are dangerously loaded with menace.

ICANHASCHEEZBURGER.COM

Hold it right there Speedy !

So it's far from new and has been around for a while, but for some reason we've never featured this offbeat offering in the NSFW section. Hence, horror of horrors, you might not actually know about it! The main draw of *icanhascheezburger.com* for us is the many pictures of cats that have been wittily captioned by their contributors and owners, almost making them seem human. Well, not really, but they're bloody funny, and, indeed, if you have a moggy of your own you'll probably find yourself imagining it talking after logging onto this site. Why not send a picture in and share the mirth? With an extra section recently added to include dogs, even canine fans can get involved, too.

AMY RIED

PHOTOGRAPHY: J.S. HICKS

There's not many girls in the world who could pull off the old bodywarmer-cum-parka combo, but I think you'll agree that Amy does it with aplomb. Whether this strange fusion garment will become popular on the nation's high streets this year is anybody's guess, but we do know one thing for certain – with her pert boobs and gorgeous botty, Amy Ried is going to be on trend in 2010 as one of the hottest stars in the world of porn.

You see, her fashion sense might be slightly askew, but when it comes to knowing what her fans want to see her doing in her movies, Amy is always bang on the money, and from solo tease and lesbo action right the way through to anal and fetish, Ms. Ried has been there and bought the T-shirt – a dodgy tie-dye number, perhaps.

The only thing likely to get in the way of Amy's rapid rise to the top of the porno pile isn't her dubious wardrobe choices and penchant for sleeveless jackets with fur-lined, split-zip hoods.

No, it's her recent pop at directing for the movie *Riedality* that has got us worried. Admittedly she appeared in the film too, but let's hope she doesn't have plans to disappear behind the camera for good anytime soon…

WORKS' BASH

Work Christmas parties always seem to end up getting really messy, and I've made a tit of myself in front of a few bosses in my time. However, this year I managed to make a tit of myself in front of the whole department, and I haven't heard the last of it since.

The do was at this posh hotel in Kent. The blokes all had to wear tuxedos and suits and the girls were all in these fancy ball gowns, but the airs and graces soon disappeared once everyone had tucked into the free bar. The champers and cocktails were flowing, and by the time I sat down to the fancy meal I was already well on my way to being pissed.

To get people mingling, the seating had been arranged for us, and I found myself sat next to this really flirty bird from accounts called Kate. Like the other girls, she was wearing a posh frock, but hers had this plunging neckline that left very little to the imagination.

Well I couldn't stop looking at her boobs, which wouldn't have been a problem had I not been sat across from my cunt of a Department Manager and the boss's wife, who is a right old bag.

Anyway, as the food came and went and bottles of wine were consumed, Kate's suggestive remarks began to get more and more outrageous, and those combined with my frequent looks down her top were giving me a massive boner. And when she started pressing her tits against me and saying stuff like, "Do you want me to suck your cock under the table," my dick was literally throbbing for release. The look on the face of my boss's miserable bitch of a wife across the table was a picture, and my Manager looked appalled by it all.

But at this point I didn't give a shit if I got the sack or whatever, because Kate had put her hand on my lap and was surreptitiously rubbing my cock through my trousers.

Now I don't know if it was because I hadn't had a shag for a while, or because the scenario was so fucking exciting, but after about 15 seconds of this I inadvertently let out a moan and shot my load in my trousers. Kate just gasped with surprise and started giggling, and I looked up to see the boss's wife, my manager, and about three other people looking at me, open-mouthed. Naturally, it was very embarrassing, and I must've gone bright red, but it wasn't as bad as when I had to get up and go to the toilet to clean up with a big spunky patch on the front of my light-grey trousers. Most people just thought I'd drunk too much and pissed myself, and to be honest I was happier with that because I thought it was less humiliating. But one thing I'm not happy with is my new nickname – Spunky Steve!

SICK BASTARD

I've pulled plenty of girls whilst pissed up before, and it's all usually gone without too much incident, but the other week that all changed in spectacular fashion. Jenny was fit and very up for it, and when I got off with her in our local nightclub I thought was going to be in for an enjoyable evening. Yes, I was absolutely leathered, but my track record in these situations told me that all should be well. Getting it up when hammered had never been a problem for me.

We got in a taxi back to hers, and as it happened she lived in a flat on the top-floor of this nice little apartment block in one of the posher areas of town. It was all really tidy and girly, and soon we were snogging on the bright pink Ikea couch. I'd really fallen on my feet here.

However, after a couple of minutes I inexplicably began to get this really weird feeling in my stomach. I could hear it churning and gurgling away like a fucking knackered old boiler. I couldn't believe it, I never puke when I'm drunk – it must've been those two Blue WKDs I downed before we left the club – or the nine pints of Carlsberg I'd had right before those!

Abruptly breaking off the kiss, I gagged and hurled a torrent of horrible bright blue sick all over Jenny and her previously pristine sofa, before following it up with a violent projectile onto the beige carpet.

I HURLED A TORRENT OF BRIGHT BLUE SICK ALL OVER JENNY & HER SOFA

Suddenly she just flipped. Her eyes kind of glazed over and she went absolutely mental, shouting at me to, "Get out of my fucking flat!" before grabbing me by the arm and shoving me out of the door. My head was still spinning, and as she slammed the door behind me I managed to hurl all over the hallway carpet and wall, it was absolutely fucking disgusting.

Without having the wherewithal to even consider cleaning up, I just ran for my life, thinking that Jenny might come out and chase after me with a knife or something!

The next day I felt terrible. Not just because I'd missed out on a great fuck and vomited all over Jenny's flat, but because she probably thought it was her who had caused it! The only problem was that I couldn't go round to apologise – I'd been in such a state that I couldn't remember where she lived.
